## 2017-2018 Business Sponsorship

The Bowie Women's Lacrosse won their first ever District Championship! The team made it to the State Finals Tournament and was able to travel because of support from businesses like you! Lacrosse is quickly becoming one of the fastest growing sports in Texas and is rapidly increasing in popularity throughout Austin and the surrounding communities. Sponsorships from businesses are essential to the continued success of this outstanding group of young women. And, with our increased exposure at the state level, we are also seeing an increase in college scholarships for our players. Learn more about our team at [www.BowieLAX.com](http://www.BowieLAX.com).
